**ARPIN INTERNATIONAL GROUP EXPANDS TO CANADA**  
*Arpin Canada provides foundation for Future Growth*

**TORONTO (January 8, 2008)** – Arpin International Group, the worldwide household goods forwarder, has opened a new office in the Toronto area, expanding the company's presence into Canada.

"In concert with our international operations in the United Kingdom and Singapore, the addition of an office in Canada will enable us to provide better and faster worldwide service to our customers," said Bob Sullivan, Senior Vice President of Arpin Group, Inc.

Becoming the third international office after Arpin UK in London and Arpin Asia in Singapore, this new location will collaborate with U.S. offices and partners as a "move management hub" for domestic and international clients wishing to relocate workers throughout Canada.

The addition of the Toronto office compliments Arpin's recent interline agreement with Great Canadian Van Lines. This improves the delivery of customers' household goods by increasing the cross border and intra-Canadian service range and capacity while reducing costs for both companies. Arpin Canada will serve as a customer service center for international moves, Canadian domestic moves and cross border moves between the U.S. and Canada. The alliance greatly enhances operational flexibility for both Arpin Van Lines and Great Canadian Van Lines, allowing the two carriers to share and utilize each other's shipping lanes. The result is increased service within Canada as well as across the U.S. and Canadian border and a reduction in transit times for relocating customers.

The Arpin Canada office officially opened for business January 1, 2008.

The new office is located at:  
1901 Forbes Street  
Whitby, Ontario  
L1N 9A7  
Phone: 905-428-7080  
Fax: 905-640-7692
